

2/4

FIG. 2

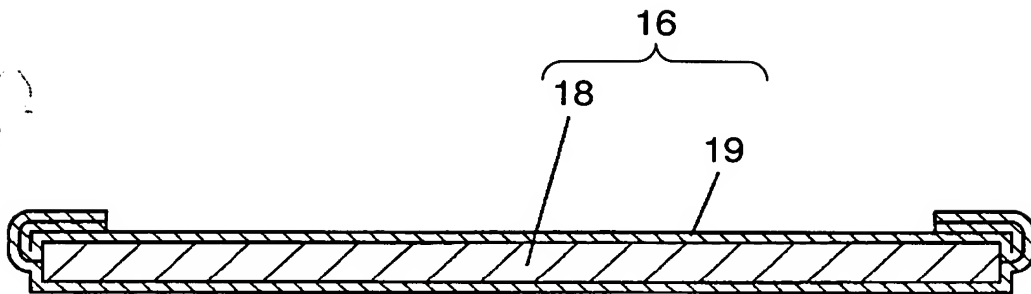

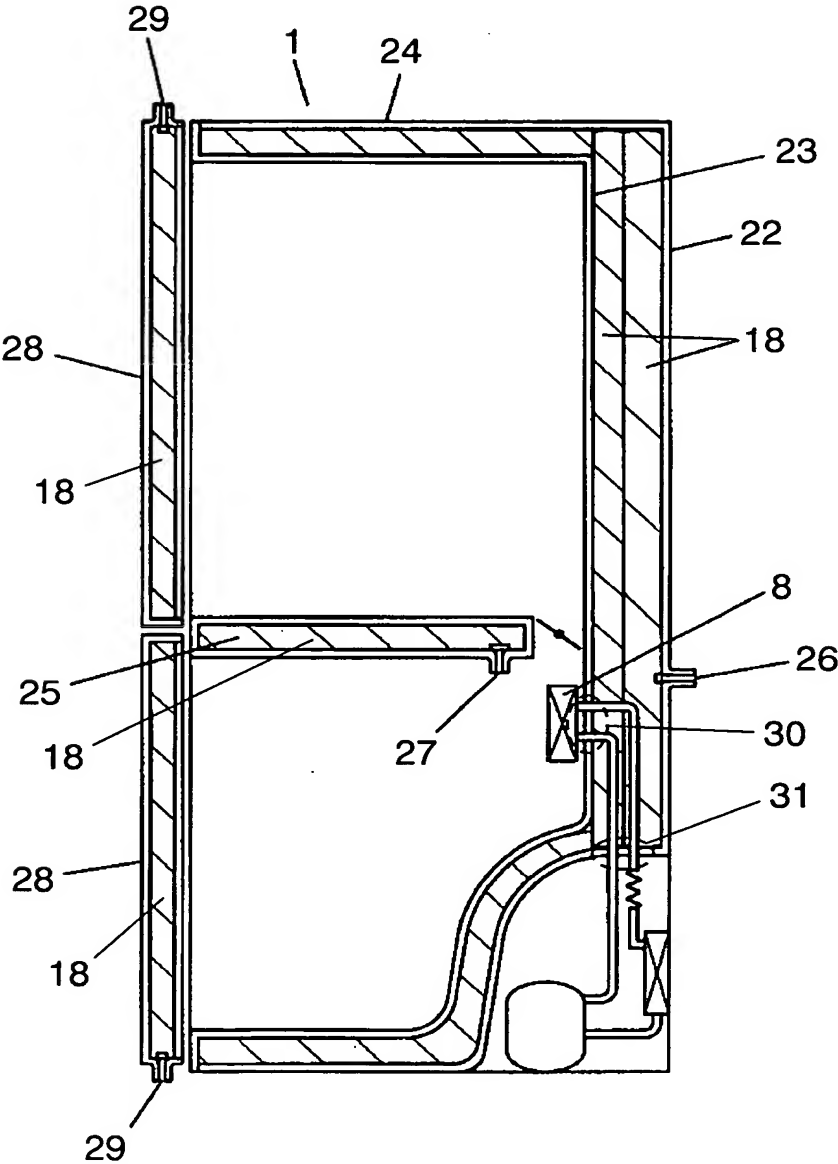

FIG. 3

Reference marks in the drawings

1. refrigerator main body
2. heat insulating box
3. partition box
4. door
5. compressor
6. condenser
7. capillary tube
8. evaporator
- 9, 22. outer box
- 10, 23. inner box
11. refrigerating compartment
12. freezing compartment
13. damper
- 14, 15. space
16. vacuum heat-insulator
17. foam resin heat-insulator
18. board-shape molded inorganic fiber
19. gas-barring film (cover material)
- 20, partition box external frame
21. machinery compartment
24. heat insulating box
25. partition box
- 26, 27, 29. vent
28. door
- 30, 31. joint
